3. The point for decision is whether the ultimate President of the Mysore City Municipality should correspond with the Govt through the Deputy Commissioner

Sec 169(2) provides that the budget shall be sent to the Dy Commr but there is no distinct provision as regards other references in the Municipal Regulation.

Under sec 73 however, the Dy Commr can inspect any Municipal work in progress, & call for any papers or books or documents in order to exercise the control over the Council vested in him.

4. The case of Bangalore was treated as a special one for reasons which need not be stated here. I see no reason why Mysore budget should be treated this special treatment — There is no harm in the President corresponding with the Govt through the Dy Commr.
